- If the party is to be held outside normal operating hours, or it is determined that additional staff is needed during normal pool hours, the price per hour per lifeguard will be \$29.95 in addition to any applicable NSJ guest fees.
- Minimum staffing levels require one manager/pool operator plus one lifeguard for every 35 attendees and the staffing level can never be less than 3 per event (manager not inclusive).

- Cancellations on the same day as the party should be discussed with the party coordinator and may receive no refund depending on the time of cancellation.
- Cancellations with sufficient notice from party start time will receive a full refund.
